Learning Episode Title:

Educator/s:

Intent: (differentiate your aim for each child if necessary)

Child	Intent

Implementation: (the activity or action you have planned to promote the intent)

What teaching strategies will support your implementation?

What resources are required?

Impact: (what did children learn? How successful were you / your strategies?)

Evaluation: (what was the value of the activity and strategies used?)

Reflection (in and on): (what did/would you change and why?)

Enrichment: (how might the environment/activity be further developed?)

Next Steps:

Word Bank / Books
 Think for all the words you can introduce in order to stimulate language development!
