

COURSE OUTLINE

An Introduction to 'The Three I's'

Aims:

'The Three I's' refers to '**intent**', '**implementation**' and '**impact**' which are integral for meeting the requirements of the Early Years Foundation Stage (2021). The aim of this session is to support practitioners to develop a greater understanding of how to deliver 'the three I's' in order to support children's development.

Objectives:

By the end of this workshop practitioners will have:

- A greater understanding of what the term 'The Three I's' refers to when delivering and assessing learning outcomes
- Considered the importance of having clear learning **intents** for all children based on a current knowledge of their individual stages of development
- Considered what '**implementation**' means in terms of the broad provision of learning environments, activities, resources, diverse pedagogical practices and effective teaching strategies
- A developed understanding of the importance of evaluating the **impact** of the work they have carried out with children in their early years
- Considered effective pedagogy in relation to their practices and how such practices support positive outcomes for all children.
